## ACTIVITY FEE PROGRAM 2020-2021 WESTBOROUGH PUBLIC SCHOOL

Our goal is to foster and support the participation of all students in a wide variety of student activities such as clubs, organizations, athletics, music, theatre etc. In order for a student to be eligible, a payment must be made for each particular sport or activity in which the student participates.

Participation in school athletics/activities is voluntary. This payment is non-refundable, unless the following occurs:

- Student is cut from the athletic team prior to the first event.
- Student does not participate for more than two weeks in an activity.

\*Payment of the user fee does not guarantee playing time on the varsity level. However, playing time will be as equitable as possible at the sub varsity levels.

The current fee schedule is as follows:
