5. Almost done! Click on “Edit Profile”.

6. If you have an email address that you can use, please enter it in the email address box.

7. Under email display please make sure that your email address is set to “Hide my email address from everyone” to protect your privacy. Remember to click on the “Update Profile” button at the bottom of the page (not shown on screen shot).

A screenshot of the Moodle 'Edit profile' page. The page has a dark red header with the text '700 Fax: 508-838-7704' and 'Edit profile'. Below the header is a 'General' section with various profile settings. The settings are: First name* (student10), Surname* (student10), Email address* (student10@westborough.net), Email display (Hide my email address from everyone), Email format (Pretty HTML format), Email digest type (No digest (single email per forum post)), Forum auto-subscribe (Yes: when I post, subscribe me to that forum), Forum tracking (No: don't keep track of posts I have seen), When editing text (Use HTML editor (some browsers only)), AJAX and Javascript (No: use basic web features), Screen reader (No), City/town (Westborough), Select a country (United States), Timezone (Server's local time), and Preferred language (English (en)). Two red arrows point from the text above to the 'Email address' and 'Email display' fields.

That's it! You are now logged into Moodle!
